Scotiabank  
Tronto, ON

RE: Front End Developer

Dear Hiring Manager,

I would love to learn more about the opportunities with **Scotiabank**. Would you have a few minutes to talk with me about what you're looking for? As a starting point, here's a little bit about my background:

My **Internet application and web development** degree combined with training and experience has provided me with a great foundation of knowledge and skills. I learn new processes quickly and I'm good at javascript programming, usability testing and debugging. I have a resourceful approach to problem-solving, tackling challenges head-on and I consider obstacles learning experiences. I'm a people person with high energy and a lot of ambition to succeed.

Would you be open for a quick chat over the phone? Please let me know.

Sincerely,  
Nara Lee
